

Tours of the Airport

Tours of our facilities are available on a limited basis for professional organizations and student groups. Approval is granted on a case-by-case basis and is dependent upon staff availability. Tours last between one and three hours. With few exceptions, tours are offered on Tuesdays and Wednesdays, always during regular business hours.

When requesting a tour, please provide the following information:

- Name of your organization
- Number and age range of participants
- Career interests, if applicable

Tour policies

- Participants must be 12 or older
- Tours may consist of no more than 30 guests
- Each guest must pass a background check
 - Individuals are required provide their full legal name, date of birth and gender at least one week before tour date
- Tour groups that access secure areas of the airport will be required to go through TSA security screening
- If over 18, guests must present a valid form of government-issued ID

To request a tour, please send an email to happenings@lasairport.com. A response will be provided within five business days.
